34° Crispbread... A Most Clever Cracker

www.34-degrees.com

Brilliant with:

- Herbed goat cheese & soft-ripened cheeses
- Chicken salad
- Tapenades & hummus
- Thinly sliced Fra'Mani dry salami

“Great crackers to serve with our handmade Rouge en Noir cheeses. Delicately light and crisp; they pair well with all of our award winning Californian cheeses. The Rosemary Crispbread is particularly delicious with our slightly pungent Schloss cheese.”
